July 2023 Newsletter

Welcome: We are delighted to welcome Emily to our Preschool team. Emily has a wealth of experience to share with us and is Level 3, SENCO and Forest school qualified. We look forward to Emily introducing and sharing her ideas as well as supporting children with SEN.

Preschool concert and graduation: We are looking forward to this year's graduation concert, this will be held on Tuesday 18th July at St Mary's Church hall. You should have already received information about the concert and your child's part. The children have been busy practicing and are looking forward to sharing this with you.

Garden: Now the weather is improving please can we ask parents to ensure they are providing appropriate clothing to enable your child to take full advantage of all the activities within the garden, with a change of clothes in their bag. This should include a named sun hat.

School leavers: Sadly, it is the time of year again where we start to say farewell to the oldest children in the nursery as they leave us to move on to school. If your child is leaving us, please let us know and remember to give us four weeks' notice when their last day will be.

Free Early Education: If your child is due to receive Free Early Education from September you should have now received the parent declaration form to complete. Please can we ask that this is returned to us as soon as possible. If you are eligible for 30 hours childcare please ensure the code you have received has been sent over to us.

Monthly home challenge: Each month we set a home challenge for the children to take part in at home with their family. We would love to see photos of the children taking part in the challenge. Due to the month of July being dedicated to the beloved Ice Cream, we would like to see as many of your Ice Cream creations, including different colours, size, shape and flavours.

Recent Highlights

Ducklings And Twitchits

Over the past month in Ducklings and Twitchits we have been enjoying exploring healthy eating and have used lots of fruit and vegetables during our play to help support and encourage this. We have also been keen to use calm colours to explore textures such as play dough, foam and materials. Over the coming month we will be looking at the different sounds of the environment and how we can create these sounds using objects.

Tiggys

During the last few weeks we have been exploring dinosaurs, transport and world environment day, world ocean day and healthy eating activities. We have enjoyed looking at big and small, exploring vegetables in the soil and exploring bugs in gelli play. Over the coming month we will be exploring shark awareness day, with deep sea and exploring space with the moon landing.

Nutkins

This month the Nutkins have been enjoying taking part in animal exploration, we have separately been looking at sea creatures, zoo and farm animals, where we have used sea shells to create pictures and explore sand trays, and made fish to display on our new board. Next month we will be exploring transport and looking at holidays and how we travel with our families, also including how we arrive and go home from nursery.

Preschool

In the last month we were very excited to have a fire engine visit us as we looked at people who help us topic, we enjoyed learning all about the equipment on the fire engine and how it works and liked hearing the siren, and seeing the flashing lights and the water hose. We have also been enjoying taking part in role play vets where we have learnt how to look after a variety of animals and the care that they require. Over the coming month we are moving on to a new topic which is dinosaurs, and are excited to be taking part in our concert in a couple of weeks time.

Birthday celebrations

This month we would like to wish a Happy Birthday to:

Alfie
Mia
Ellis
Casey
Penny
Rajan
Ayame
Isabella
Lua
Christos
Andrew

We hope you all have a wonderful day.

Employee of the month

This month we say a big well done to Zoe and Tasmina,

Both Zoe and Tasmina have been setting up amazing activities, interacting with the children and taking part in the daily routines. Well Done!
