picnic

Monday 19th - Insect week

Wednesday 21st - Graduation
photos

June 2023 Newsletter

School leavers

It is the time of year where we will start to plan ahead with our summer leavers. If your child is leaving us over the summer period please ensure we have 4 weeks notice of when their last day will be. Please also be aware there is no funding during the month of August and invoices will reflect the full day cost.

Garden

Now the weather is improving please can we ask parents to ensure they are providing appropriate clothing to enable your child to take full advantage of all the activities within the garden. This includes a named sun hat.

Graduation photos

We will be holding graduation photos for our summer leavers on Wednesday 21st June at 9am. If you would like to have your child's photo taken but they do not attend this day please let us know and we can arrange a time with you.

Front garden

For everyone's safety, please can we ask parents to ensure children do not climb onto the storage boxes in the front garden. Please can we also ask that the entrance gate is closed after each use.

Father's day picnic

We will be holding a Father's Day picnic on Tuesday 13th of June at 3.30pm for the children who attend nursery on this day. Please let us know if will be attending to allow us to plan ahead accordingly. The children will be busy baking yummy treats for the occasion and are looking forward to sharing the occasion.

Role play

Our children love the role play opportunities that we provide and we would love to extend this further as this has such a positive impact on their development and personal and social skills. Within our role play areas we have been working on providing more real life experiences for the children to role play with their friends. We would be very grateful for any donations to add to the area such as adult bags, hats, bangles. We are also collecting empty bottles such as cream, shampoo, bubble bath and soap.

Recent Highlights

Ducklings And Twitchits

This month the Duckling and Twitchits have been enjoying taking part in lots of messy play as we explored Insects and bugs. We used a variety of textures and sensory objects to touch, feel, smell and observe. Over the coming month we are going to be looking closely at animals and the impact on the environment, we will be enjoying dinosaurs and celebrating world ocean day.

Tiggys

This month we have had a wonderful time celebrating Elmer day, the children enjoyed creating their own elephants by creating their own patterns, printing with blocks and gluing and sticking colours. The children have also enjoyed exploring the various colours in our Elmer sensory colour tray. The children have also enjoyed taking part in Free flow garden time now the weather has been improving.

Nutkins

This month in Nutkin's the children have loved exploring construction, the children have shown a great interest in building their own structures and we have extended this further with a range of blocks, tools, dressing up and vehicles. The children have also been extending their maths skills by driving around shape roads, counting and sorting cars and looking at the positioning of the vehicles. We have also been getting involved in rhyme time where we have been practicing our turn taking, actions and joining in with lots of exciting songs and rhymes.

Preschool

This month we have been exploring 'minibeasts', we have carried out a range of activities to learn more about minibeast and how they grow. We enjoyed growing our own caterpillars into butterflies, which was wonderful to see the pretty colours they had once they hatched from their caccoons. We have also been using fruit and vegetables to create our own ladybirds, paper mache to create our own insects for our hallway display. We were also very excited to move onto our people who help us topic where we even were able to have a real fire engine visit us.

Birthday celebrations

This month we would like to wish a Happy Birthday to:

Eesa
Arthur
Erin
Artur
Jude
Lennon
Otilie

We hope you all have a wonderful day.

Employee of the month

This month we would like to say a big well done to Lynsey for her continuous hard work in Nutkins. Lynsey is always positive and supportive to the children and staff.

Well Done!
