Recent Highlights

Ducklings And Twitchits

Over the last weeks in Ducklings and Twitchits we have enjoyed exploring the musical instruments and have used a variety of objects to create our own sounds and rhythm. We are looking forwards to starting our exploration with messy craft, we will be using a wide variety of messy and textured resources to explore our imagination, thoughts and creative thinking using craft.

Tiggys

Over the last few weeks we have enjoyed leaning all about animals. We have been creating snakes out of playdough, washing the elephants in the water, animal print painting and lots more. As the children have been thoroughly enjoying this topic we are going to continue developing their interest in animals.

Nutkins

In Nutkins we have had a great time making some yummy bear biscuit and enjoyed mixing all the ingredients together. We have been busy learning all about the colour monster and being able to identify our feelings. We enjoyed colour monster craft, sorting the colour pompons and reading the books. We can now identify which colour matches each feeling. We are looking forward to learning all about animals where they live and how to care for them.

Preschool

This month we have said goodbye to our Pre-School who will be heading off to school. We have been learning all about transport. We have been collaging vehicles, making tracks and exploring the different marks the vehicles can make. We are now going to be learning all about us and what makes us unique. Please can we ask for some family photos to be shared with us to be able to support this topic.
