July 2026 Newsletter

School Leavers concert and graduation:

We are looking forward to this year's graduation concert on **Tuesday 14th July at St Mary's Church Hall**. This is for the children who will be heading off to school in September. You should have already received information about the concert and your child's part. The children have been busy practicing and are looking forward to sharing this with you.

School leavers:

Sadly, it is the time of year again where we start to say farewell to the oldest children in the nursery as they leave us to move on to school. If your child is leaving nursery, please let us know their final day with us as we require four weeks' notice to arrange this.

Garden:

Now the weather is improving please can we ask parents to ensure they are providing proper clothing to enable your child to take full advantage of all the activities within the garden, with a change of clothes in their bag. This should include a named sun hat.

Free Early Education:

If your child is due to receive Free Early Education from September you should have now received the parent declaration form to complete. Please can we ask that this is returned to us as soon as possible. If you are eligible for the working parents funding, please ensure the code you have received has been sent over to us.

Stay and Play

Our Tiggy children thoroughly enjoyed painting bird houses with their families and creating food bags to feed the birds. Our next stay and play session will be for our Duckling families and will be held on Thursday 30th July at 10.30am, more information for this will follow.

Recent Highlights

Ducklings And Twitchits

In Ducklings we have enjoyed ewploring lots of sensory play. We have been painting with herbs, lots of water play and been busy cooking some yummy recipes. We have also enjoyed exploring textures with our hands and creating marks on paper. WE have also enjoyed small world activities such as dinosaur and animal play.

Tiggys

This month in Tiggys we have had so much fun exploring everything under the sea! We have enjoyed painting a yellow submarine, painting starfish with bubble wrap, sticking the teeth on sharks, creating jelly fish with paper plates and using our hands to paint crabs! The Tiggys have thoroughly enjoyed exploring a variety of water trays and particularly enjoyed catching little fish in the fishing nets! In terms of our cooking this month we have enjoyed making under theses themed fairy cakes, fruit salads as well as puff pastry pizzas!

Nutkins

Over the last month the Nutkins have been enjoying looking at dinosaurs following the theme, they have frozen dinosaur eggs and watched them crack during the day. The children have enjoyed using using messy craft to help make prints and marks, then comparing size of the feet for each dinosaur. In

Preschool

In preschool over the last months the children have been enjoying the dinosaur theme, we have learnt lots of new names and practised some tricky sounds also supported by our phonic sounds. The children have enjoyed watching the dinosaur eggs hatch and have used lots of size and measure games to help them order and sequence the dinosaurs. Over the coming weeks we will be using our gardening club to explore outdoors.

Birthday celebrations

This month we would like to wish a Happy Birthday to:

Frankie

Oliver

Luca

Raffi

Millie

Oliver

Mia

Hudson

We hope they a wonderful day.

Employee of the month

This month we say a big well done to Natoya, for her continued hard work.
