Day

Thursday 12th- Fathers Day
Breakfast

16th June- Sea Turtle Day

18th June-International
Picnic Day

This month we are delighted to welcome Rory to Ducklings, we hope he enjoys his time with us.

School leavers

It is the time of year where we will start to plan ahead with our summer leavers. If your child will be moving onto School or nursery school please let us know so we can support their transition over the summer. Please ensure we have 4 weeks' notice of when their last day will be to ensure we can prepare their transition report and final invoice.

Garden

We have been delighted to introduce new resources and equipment to the garden over the last few weeks. The children have loved exploring the new obstacle course and large tunnel, along with new resources to promote Magnificent movers. We are looking forward to enhancing our mud kitchen and gardening area with our new mud kitchen which is due to arrive in the coming weeks.

Now the weather is improving please can we ask parents to ensure they are providing appropriate clothing to enable your child to take full advantage of all the activities within the garden. This includes a named sun hat.

Graduation photos

We will be holding graduation photos for our summer leavers on Thursday 26th June at 9am. If you would like to have your child's photo taken but they do not attend this day, please let us know and we can arrange a time with you.

Front garden

For everyone's safety, please can we ask parents to ensure children do not climb onto the storage boxes or the gates in the front garden. Please can we also ask that the entrance gate always remains closed and locked after each use.

Father's Day

We would like to celebrate all our family members by providing a delicious breakfast on Thursday 12th June. We will provide this as a takeaway option for you to enjoy.

Front Door

When entering and leaving the nursery, we ask that no other person is let into the building at the same time, this includes other families you may know. This is to ensure the children's safety is always maintained and we are aware of who is in the building. Every parent must buzz their child's room and provide the combination asked of their password.

Recent Highlights

Ducklings And Twitchits

This month we have enjoyed exploring mini beast activities. We enjoyed painting bumble bees and finding the bugs hidden in the oats and mud. We have also enjoyed making some yummy vegetable twists which we have enjoyed eating for snack. We have also enjoyed exploring woodland animals and creating our own owls and foxes.

Tiggys

This month we have been focusing on minibeast, nature and the outdoors. We have explored lots woodland animal sensory trays as well as using pinecones and flowers to paint and create marks. We have enjoyed making some yummy bee biscuits. Over the next month we will now be looking at animals that live in the sea.

Nutkins

Over the last few weeks Nutkins have been exploring minibeasts in soil, water, rice with webs and tweezers in various small worlds. We have enjoyed looking for bugs in the garden and trying to identify them. Nutkins enjoyed exploring the soil dough with various bugs and looking at the marks they created. We also have great fun celebrating World Bee Day, where we enjoyed making bee biscuits and used our maths to count bees and pom poms into our beehives. During the following month we will continue to be looking at minibeast and learn all about the life cycle of caterpillars.

Preschool

This Month in Pre-School we have been busy learning all about Spring. We have also been busy learning all about mini beasts and the important jobs they do such as pollination, making honey and lots more. We have also had a special delivery of some caterpillars and looking forward to learning all about them and their life cycle. We are continuing our mini beast theme and also looking forward to learning the story and songs for our Summer concert. We will shortly be sharing more information about the concert with our Preschool parents.

Birthday celebrations

This month we would like to wish a Happy Birthday to:

Coco
Frank
Erin
Sam
Joe
Roman
Freddie
Orla
Violet

We hope you all have a wonderful day.

Employee of the month

This month we would like to say a big well done to Bethany for her continued hard work in Tiggy's. Bethany has been introducing a wide range of activities to support the Tiggy's interests

Well Done!
