

## **Equality and Inclusion**

### **Statement of intent**

At Puddleducks Day Nursery we take great care to treat each individual as a person in their own right, with equal rights and responsibilities to any other individual, whether they are an adult or a child. We are committed to providing equality of opportunity and anti-discriminatory practice for all children and families according to their individual needs. Discrimination on the grounds of gender, age, race, religion or belief, marriage or civil partnership, disability, sexual orientation, gender reassignment, pregnancy or maternity, ethnic or national origin, or political belief has no place within our nursery.

A commitment to implementing our inclusion and equality policy is part of each employee's job description. Should anyone believe that this policy is not being upheld, it is their duty to report the matter to the attention of the nursery manager / owner at the earliest opportunity.

Appropriate steps will then be taken to investigate the matter and if such concerns are well-founded, the nursery's disciplinary policy will be followed.

### **The legal framework for this policy is based on:**

- Special Education Needs and Disabilities Code of Practice 2015
- Children and Families Act 2014
- Equality Act 2010
- Childcare Act 2006
- Children Act 2004
- Care Standards Act 2002
- Special Educational Needs and Disability Act 2001.

### **The nursery and staff are committed to:**

- Recruiting, selecting, training and promoting individuals on the basis of occupational skills requirements. In this respect, the nursery will ensure that no job applicant or employee will receive less favourable treatment because of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.
- Creating a working environment free of bullying, harassment, victimisation and unlawful discrimination, promoting dignity and respect for all, and where individual differences and the contributions of all staff are recognised and valued
- Providing a childcare place, wherever possible, for children who may have learning difficulties and/or disabilities or are deemed disadvantaged according to their individual circumstances, and the nursery's ability to provide the necessary standard of care
- Making reasonable adjustments for children with special educational needs and disabilities to remove barriers and improve access for all.

- Striving to promote equal access to services and projects by taking practical steps (wherever possible and reasonable), such as ensuring access to people with additional needs and by producing materials in relevant languages and media for all children and their families
- Providing a secure environment in which all our children can flourish and all contributions are valued
- Including and valuing the contribution of all families to our understanding of equality, inclusion and diversity
- Providing positive non-stereotypical information
- Continually improving our knowledge and understanding of issues of equality, inclusion and diversity
- Regularly reviewing, monitoring and evaluating the effectiveness of inclusive practices to ensure they promote and value diversity and difference and that the policy is effective and practices are non-discriminatory
- Making inclusion a thread which runs through the entirety of the nursery, for example, by encouraging positive role models through the use of toys, imaginary play and activities, promoting non-stereotypical images and language and challenging all discriminatory behaviour (see dealing with discriminatory behaviour policy).

### **Admissions/service provision**

The nursery is accessible to all children and families in the local community and further afield through a comprehensive and inclusive admissions policy.

The nursery will strive to ensure that all services and projects are accessible and relevant to all groups and individuals in the community within targeted age groups.

### **Recruitment**

Recruitment, promotion and other selection exercises such as redundancy selection will be conducted on the basis of merit, against objective criteria that avoid discrimination.

Shortlisting should be done by more than one person if possible.

All members of the selection group will be committed to the inclusive practice set out in this policy and will have received appropriate training in this regard.

Application forms will not include questions that potentially discriminate on the grounds specified in the statement of intent.

At interview, no questions will be posed which potentially discriminate on the grounds specified in the statement of intent. All candidates will be asked the same questions and members of the selection group will not introduce nor use any personal knowledge of candidates acquired outside the selection process. Candidates will be given the opportunity to receive feedback on the reasons why they were not successful.

We may ask questions (Under the Equality Act 2010) prior to offering someone employment in the following circumstances:

- To establish whether the applicant will be able to comply with a requirement to undergo an assessment (i.e. an interview or selection test)

- Too establish whether the applicant will be able to carry out a function that is intrinsic to the work concerned
- To monitor diversity in the range of people applying for work
- To take positive action towards a particular group – for example offering a guaranteed interview scheme
- You require someone with a particular disability because of an occupational requirement for the job.

## **Staff**

It is the policy of Puddleducks Day Nursery not to discriminate in the treatment of individuals. All staff are expected to co-operate with the implementation, monitoring and improvement of this and other policies. All staff are expected to challenge language, actions, behaviours and attitudes which are oppressive or discriminatory on the grounds specified in this policy and recognise and celebrate other cultures and traditions.

Staff will follow the 'Dealing with Discriminatory Behaviour' policy where applicable to report any discriminatory behaviours observed.

## **Early learning framework**

Early learning opportunities offered in the nursery encourage children to develop positive attitudes to people who are different from them. It encourages children to empathise with others and to begin to develop the skills of critical thinking.

## **We do this by:**

- Identifying a key person to each child who will ensure that each child's care is tailored to meet their individual needs and continuously observe, assess and plan for their learning and development
- Listening to children (verbally and non-verbally) and making children feel included, valued and good about themselves
- Ensuring that we know what each child knows and "can do" and have equal access to tailored early learning and play opportunities
- Reflecting the widest possible range of communities in the choice of resources
- Avoiding stereotypical or derogatory images in the selection of materials
- Acknowledging and celebrating a wide range of religions, beliefs and festivals
- Creating an environment of mutual respect
- Supporting children to talk about their feelings and those of others, manage emotions and develop empathy
- Helping children to understand that discriminatory behaviour and remarks are unacceptable
- Knowing children well, being able to meet their needs and know when they require further support
- Ensuring that all early learning opportunities offered are inclusive of children with special educational needs and/or disabilities and children from disadvantaged backgrounds
- Ensuring that children whose first language is not English have full access to our early learning opportunities and are supported in their learning
- Working in partnership with all families to ensure they understand the policy and challenge any discriminatory comments made
- Ensuring the medical, cultural and dietary needs of all children are met and help
- Children to learn about a range of food and cultural approaches to meal times and to respect the differences among them.

### **Parent/carers information and meetings**

Information about the nursery, its activities, experiences, resources are shared with parents/carers as well as information about their child's development. This is given in a variety of ways according to individual needs (written, verbal and translated), to ensure that all parents can access the information they need.

Wherever possible, meetings are arranged to give all families opportunities to attend and share information about their child.

We also consult with parents/carers regularly about the running of the nursery and ask them to contribute their ideas.
